Said Plan shall have the characteristics and be developed and implemented in accordance with the terms and conditions set out below:

- 1. Beneficiaries:** Executive Directors of the Company and key management personnel of the Company and its subsidiaries who are expressly designated by the Board of Directors, at the proposal of the Human Resources, Appointments and Remuneration Committee, and who are already linked to the Company by virtue of an employment or commercial relationship (the '**Beneficiaries**').

The participation of the Company's Executive Director, Mr. Jorge Mercader Barata, is expressly approved for the purposes of the provisions of article 219 of the Spanish Companies Act.

2. **Objectives:** The main objectives of the Plan will be (i) to align the interests of the Beneficiaries with those of the Company's shareholders, linking their remuneration to the sustainable increase in the long-term value of the shares; (ii) to attract, motivate and retain talent, establishing competitive remuneration for key positions in the Company in relation to other comparable entities, all in the best interests of the Company; and (iii) to align with certain recommendations and good practices in matters of good corporate governance in listed companies.
3. **Maximum number of Company shares allocated to the Plan:** The maximum number of shares that may be acquired as a result of the exercise of the options on the part of the Beneficiaries shall be five hundred thousand (500,000) shares, corresponding to 1.25% of the Company's share capital at the date of approval of the Plan by the General Meeting of Shareholders. Each option shall entitle the Beneficiary to acquire one share at the strike price determined in accordance with sub-section 4.b below.

The shares to be delivered to the Beneficiaries under the Plan will be (i) treasury shares that the Company has acquired or acquires from time to time, generally through a share buy-back programme that meets the criteria to be considered as a safe harbour in accordance with the regulations prohibiting market abuse, or as otherwise deemed appropriate, subject in all cases to compliance with the Internal Regulations for Conduct in the Securities Markets and other applicable regulations; or (ii) new shares issued in a capital increase excluding pre-emptive subscription rights.

The shares shall be fully subscribed and paid up and free of any liens or encumbrances.

4. Economic Conditions:

- a. **Option price:** Granted without any financial consideration.
- b. **Option strike price:** Amount corresponding to the average of the closing trading price, rounded to two decimal places, of the

Company's shares recorded in the trading sessions during the three months preceding the date on which the options are granted.

- 5. Duration of the Plan, vesting and exercise period of the options:** The Plan will have a total duration of six (6) years.

The vesting of the options will occur on the day following the third anniversary of the grant date (the '**Vesting Date**'). Once vested, the options may be exercised, [at any time, in whole or in part, and on one or more occasions], within three (3) years from the Vesting Date.

Upon exercise of the options, the Beneficiary will have the option to request the Company, prior to delivery, to deduct (from the number of shares to which he/she would be entitled) shares equal to the amount of funds required to cover (i) the full exercise price of the options, and (ii) the payment of any costs and/or taxes payable in connection with the acquisition of the shares. It is expressly stated for the record that, should any Beneficiary decide to pursue this alternative, the exercise of the options must be made for the totality of the options granted and on no more than one occasion.

Once the shares have been allotted, Executive Directors may not transfer ownership until at least three years have elapsed. An exception is made in the case where the Director maintains, at the time of the transfer, a net economic exposure to share price variation of a market value equivalent to an amount of at least two (2) times their annual fixed remuneration through the ownership of shares. The foregoing shall not apply to shares that the Director needs to dispose of in order to meet the costs related to their acquisition or, subject to the favourable opinion of the Human Resources, Appointments and Remuneration Committee, in order to deal with extraordinary situations that may arise.

- 6. Delegation of powers:** It has been resolved to delegate to the Company's Board of Directors, with express powers of substitution, such powers as may be necessary for the execution of this resolution and consequently to implement, develop, execute and settle the Plan within the terms
